Testimonials

"The 2007 Gorge Freestyle Frenzy was an absolute blast. Super friendly competition with 5 different categories made it an incredibly fun day for all the sailors and spectators. Fantastic sponsor support meant fabulous prizes. So stoked for the 2008 Frenzy." - **Dan Thomson (Windsurfing Magazine Instructional Editor)**

"The freestyle frenzy was meant to be a fun-filled event, and it was exactly that! I competed in the women's division in 2007 and I look forward to competing again in 2008. It was great to have a chance to show off the moves that we all work so hard to learn. It was a very positive experience, and I hope we have even more women competing in 2008!" - **Roxanne Christensen**

"This contest was the funnest I had done so far! The Gorge is an amazing place and the contest was epic!" - **Bernd Roediger**

"The level of sailing here was amazing! The contest was awesome. The Freestyle Frenzy is what windsurfing is all about!" - **Norm Roediger**

"I have spent the last 17 summers driving up-and-down the Gorge. Through the years, there's been more than one freestyle event, but one thing is certain, the first edition of the (2006) Freestyle Frenzy was one of the most fun events I ever sailed. This event is put together by rippers, for rippers, no muss, no fuss! Root-style competition amongst friends with an emphasis on fun and time on the water makes for the best formats. In addition, the long holding window permits to hold the event with only the best of conditions, and the longer heats allow the sailors to really push the envelope that much further and see who's got the deepest bag of tricks, or the larger kahunas!! Let's hope for liquid spray conditions once again!" - **Patrick Bergeron**
